Assistant Professor, Mechanical Engineering - 17000001GD

Description
The Mechanical Engineering Department in the College of Engineering and Computer Science at The University of Tennessee at Chattanooga invites applications for a tenure-track Assistant Professor position for Fall 2018 with expertise in mechanisms, mechatronics, robotics, and MEMS.

Qualifications
The successful applicant will collaborate with existing faculty members within the department and across campus, teach and develop new courses in the areas of mechatronics, kinematics & dynamics of mechanisms, and robotics, and advise graduate students. Furthermore, it is expected that the candidate will establish an externally funded research program, be committed to scholarly activity, and be engaged in service to the profession. The applicant should be prepared to clearly articulate their plan to develop this focus area within the College of Engineering and Computer Science. The successful candidate will have an undergraduate and Ph.D. degree in Mechanical Engineering or closely related field. Applications must include a cover letter, a teaching statement, a research statement, and a curriculum vitae, including names, title, and contact information of at least three references. These documents should be submitted electronically.

The University of Tennessee at Chattanooga is the second largest school in the University of Tennessee System, serving a diverse student body of more than 11,000 undergraduate and graduate students through five academic colleges. UTC offers a unique blend of private and public school traditions and is a driving force for achieving excellence, embracing diversity, inspiring positive change, and enriching the community. Since its founding as Chattanooga University in 1886, UTC has developed a reputation for excellence built on an unusual blend of the private and public traditions of American higher education. For more than 83 years, the university was a private school. In 1969, UTC became part of the state university system. Today, UTC is on a journey to excellence - boldly embracing a passion for excellence in all things and focused on changing lives and transforming communities. The UTC commitment—each and every day—is to earn the trust and confidence of those we serve. Our goal is to make a difference in our community and in the lives of our students.

Chattanooga, the fourth largest city in the state, is located in Southeast Tennessee near the border of Georgia at the junction of four interstate highways. The city has received national recognition for the renaissance of its beautiful downtown and redevelopment of its riverfront. Chattanooga also has the fastest internet in the country. Home to the first Gig Internet in the United States, Chattanooga has a 100% fiber network that links every home and business in a 600-square mile area. Companies like Unum, McKee, U.S. Xpress, Volkswagen, Coca-Cola and Amazon.com have chosen to set up shop in Chattanooga. Attractions such as the Tennessee Aquarium, Lookout Mountain, Civil War battlefield sites, the African American Museum, and the Appalachian Trail bring thousands of people to the area, as do events like the Riverbend Festival, Nightfall, Jazzanooga, the Creative Discovery Museum for Children, and the Southern Writers Conference. Chattanooga is the home to the seven-time NCAA Southern Conference Football Champions, The University of Tennessee at Chattanooga Mocs. People who love the outdoors use Chattanooga as a base for hang-gliding, bass fishing, mountain climbing and caving expeditions; the beautiful Smoky Mountains and Tennessee River support the greatest variety of flora of any area in the United States. Chattanooga also has a long and rich past with regard to diversity, which includes Native American heritage, Civil War history, and the Civil Rights movement. Chattanooga is also just a two hour (or less) drive from Atlanta, Nashville, Knoxville, and Birmingham.
